

*Ceremony
1952*

10 July 1952

Dear Miss Slone:

In response to your letter of June 24, we have pleasure in sending you, in another cover, a copy of the program of the ceremony of May 18, as well as copies of the addresses.

There were so many requests for Judge Allen's address, that our mimeographed supply is exhausted, which accounts for the tardiness of this response. As you see, we had to have her remarks typed for you.

Sincerely yours,

Bertha L. Lyons (Mrs.N.)
